COMMENTS & OTHER INFORMATION (put test schedule comments in box above)

P.O. or payment info

Non-business hours approved? Check for yes, surcharges apply.
 My company has specific test protocols on file (or attached), use these for all applicable tests.
 I am aware that testing may be delayed if MSDS are not made available before/when products are received.
 I have read and understand the statement below

Please note that any changes to the information in this form requires a NEW request form. OTC must still charge for tests performed according to this form unless a NEW request form is received before testing commences. Verbal change requests are not binding.
